Will their prediction come true!!

IS MATSUZAKI-SAN ON A DATE WITH ANOTHER WOMAN?

WHAT? MATSUZAKI-SAN?

I'VE HEARD THAT HE GETS INVOLVED WITH OTHER WOMEN...

WITH QUITE A FEW IN FACT!

WHERE DO YOU WANNA EAT?

MAKO-TO-SAN ...

And then
—

Did this relationship completely come to a stop?

Did you have a stable sexual relationship with another person shortly before your marriage?

I BOUGHT

YOU!
WILL YOU
ACCEPT IT?!

MA-
MATSUZAKI?

W-HERE
...

YOU WANT TO
MARRY ME?!!

I SWEAR, I
WON'T BE
UNFAITHFUL
ANYMORE!!

NEVER AGAIN!

YOU COULD
BE A BIT
NICER--

YES...

I EASILY
LOSE MY
TEMPER...
AND TEND TO
BE A LITTLE
ROUGH...

YES!

ARE YOU
SURE I'M
THE RIGHT
ONE?

BUT
THAT'S SO
SEXY--

TECHNICAL
KNOWLEDGE

...

THEY'RE
SURE TO
BREAK UP
SOON.

SAN?

HELLO
...

...THE
NECK IS
GOING
ON?

We're
engaged!

WHAT?!

WE'RE
GONNA GET
MARRIED...

In Japan, it's said that an engagement ring should be worth three month's wages. This is due to an advertisement by the company "De Beers" in the 70s. The huge success of this advertisement is easily recognizable: 70% of today's engagement rings have diamonds, whereas only 4% had diamonds in the 60s.

At any rate,
congratulations!
